NEWS RELEASE

Turkey Hunts Scheduled for Bussey Point

Release No: 08-01

Date: February 4, 2008

FOR IMMEDIATE RELEASE

SAVANNAH, GA. -- The U. S. Army Corps of Engineers' J. Strom Thurmond Project will host two turkey hunts in the Bussey Point Management Area this year. On April 4 and April 5, a primitive weapons turkey hunt will be conducted. Muzzleloaders and archery will be allowed on both days of this hunt. Hunters who are selected may bring a guide or guest. The guest will not be allowed to carry a weapon.

A parent/youth hunt will take place on April 12. Primitive weapons or shotguns are allowed for this special hunt. The youth must be 15 years of age or younger. The adult must be licensed in accordance with the Georgia hunting regulations and will not be allowed to carry a weapon.

Each day, the hunts will begin one hour before sunrise and conclude at noon. Late arrivals will not be admitted. The hunts are limited to 10 hunters per day selected by random drawing. Three separate drawings will be conducted – one for each hunt day. Hunters must submit a letter requesting consideration for the hunts and should specify the date of the hunt they want to be considered for. Included in the letter must be name, mailing address and daytime phone number. Address letters to Ken Boyd, U.S. Army Corps of Engineers, J. Strom Thurmond Project Office, 510 Clarks Hill Highway, Clarks Hill, SC 29821-9703. Applications may also be made by email to Kenneth.H.Boyd@usace.army.mil Submissions must be received at the Thurmond Project Office by 4:30 p.m. on March 21.

All applicable Georgia hunting regulations apply. Visitors that are not hunting are advised to find other recreation areas to use during the scheduled hunts. For additional information, contact Ken Boyd at 1-800-533-3478, ext. 1159, or (864) 333-1159.
